## ACTIVATING YOUR JERSEY PASS

Your Jersey Pass is activated when you visit the first attraction. The machine records when you first use your pass, as well as how long the pass will remain valid for. This means that, regardless of when you buy your pass, it is only activated at the first place you visit.

Your Jersey Pass is then valid for the number of days that you purchased – be it 2, 4, or 6 days.

It is important to note that a 'day' is based on a calendar day, so should you use your pass at 4pm on Monday, this is counted as day one of your pass usage.

You can take advantage of our special added value offers on **any day** though, all you need to do is show your Jersey Pass.

## JERSEY PASS QUESTIONS

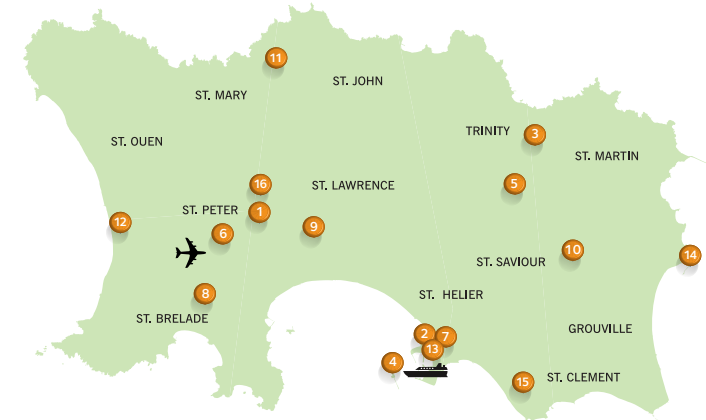

**Is the Jersey Pass valid for repeat visits to the same attraction?** The Jersey Pass is valid for one visit to each attraction only. It is non transferable and cannot be used to enter the same attraction more than once, no matter how many consecutive days the pass is valid for.

**How do I find my way around all the attractions?** When you buy your Jersey Pass you will receive a printed map/guidebook.

**Where can I find out more information on Jersey?** You can call Jersey Tourism on +44 (0) 1534 44 88 77.

**Are there family or children's passes?** At the moment there are only adult passes, however there is nothing stopping a child buying an adult pass. It is normally cheaper for children to pay separately.
